Peoria, July 28.-T. J. Van Master, city editor of the National Democrat, stated to an Associated Press reporter to-day that he had discovered that the infernal machines reently received in London were manufactured in this city. A director of the Association posed to know all about the matter. There were ten of the machines made here and shipped to New York, where they were loaded with dynamite and then shipped to London. The manufactory is on South Washington street. The reporter has been invited by one of the interested parties to witness an exhibition of the destructive powers of the machine. This trial will be made in Tazewell county, within a mile of the city. "We Have Too Many Governors."

TROY, July 28 .- McLean, who was arrested in Albany yesterday, on a charge of threatening to shoot Governor Cornell, left Whitehall this week, as he said, to seek the sunken treasures of Captain Kidd. McLean, who is regarded as insane, says: "We have too many Governors." He has several decuments from the Pension office, and claims that the British Government owes him \$15,-000 and the United States \$13,000. Imported from Havana.
